

**JOIN US FOR A
CRAZY, SCARY TIME!**

**TWICE invites you to participate
in the 2017
Fall Fun Collaborations!**

Choose from two types of "scary" connections this fall....

CREEPY Creature Collaborations! **Grades PreK-4th**

For 60 crazy minutes, two classrooms will be paired together for a live two-way interactive event. Prior to meeting though, each class will create a creature with a unique creepy theme representing an imaginative idea about a creature in the spirit of fall holiday fun! Students will then write a description of their "crazy creature" for a partner-class to replicate by sending **ONLY** the description via e-mail, U.S. Mail or Fax to the partner teacher at a TWICE member school. Both classes will meet via videoconference to compare their original "creatures" with the replicated "creatures" to see if the Creepy Creature Collaboration was a success!

SCARY Stories: WHAT happens next? Grades 5th - 8th

Plan for a scary 60-minute live two-way interactive program! Participants in the program will have an opportunity to exchange the opening and middle paragraphs of a super-scary story via e-mail, U.S. Mail or Fax with a partner class at a TWICE member school. By exchanging the first two parts of the story, the receiving schools will finish each other's stories by writing "what happens next!" Students will then meet for a "scary" two-way interactive experience via ITV by sharing the remainder of the story by reading it, acting it out sharing it as a poem, using video, or any way they decide would be the be a perfect ending to a truly "scary" story!
